Beautiful sofa!

I bought two of these and the only complaint is that company never wants to get off them and go home. They are very good looking, not like many of the "pleather" materials. They are very comfortable whether reclined or not. The first evening I had someone fall asleep on one of them! I am so glad I went with my gut feeling and got both. The delivery guys were great at calling ahead and very careful not to damage anything. Every aspect was and is wonderful!
